From the Registrar i/c, Tamil Nadu Physical Education and Sports University, Letter No. TNPESU/Regr/Inno.Prop/ 2015, dated 24.11.2015.

ORDER:

In the letter first read above, the Registrar i/c, Tamil Nadu Physical Education and Sports University has stated that e-Libraries are organizations that provide the resources, including the specialized staff, to select, structure, offer intellectual access to, interpret, distribute, preserve the integrity of and ensure the persistence over time of collections of digital works so that they are readily and economically available for use by a defined community or set of communities. E-Library is needed to deliver the right information to the right user at right time, to promote efficient delivery of information, encourage cooperative efforts in research resource, computing and communication networks, etc.

2. The Registrar i/c, Tamil Nadu Physical Education and Sports University has further stated that the e-Library is the gateway to academic excellence in the digital age. The mission of the e-Library is to provide an effective and efficient information infrastructure to the Central Library for providing access to the current and relevant on-line resources, fostering an environment and culture which is conducive to advancing the usage of e-learning resources for enabling stakeholders to contribute in the global society. It also aims to conduct need based information literacy programs for the benefits of the students, faculty, staff and other associates.

3. The Registrar i/c, Tamil Nadu Physical Education and Sports University has therefore requested the Government for the establishment of e-Library in

Read:

From the Registrar, Tamil Nadu Physical Education and Sports University,
Letter No.TNPESU/TANII/3339/2016, Dated 12.04.2017.

ORDER:

In the letter read above, the Registrar, Tamil Nadu Physical Education and Sports University has stated that sports biomechanics, an engineering science is an emerging and latest science in the field of sports. Any advancement in sports in terms of technique or new record in performance is only due to the application of biomechanics. Biomechanics is useful right from simple loco motor activities like the ergonomics of standing, sitting, walking, running, throwing, jumping and complex movements like sports skills. The Registrar, Tamil Nadu Physical Education and Sports University has added that Centre of Excellence in Sports Biomechanics would be useful in assessing the novice to elite sportspersons' performance and producing international medal winners. It will also be useful in assessing walking and running biomechanics and ergonomics of common people.

2. The Registrar, Tamil Nadu Physical Education and Sports University has therefore requested the Government for the establishment of Centre of Excellence in Sports Biomechanics in Tamil Nadu Physical Education and Sports University campus at an estimated cost of Rs.1312.00 lakhs under Tamil Nadu Innovation Initiatives (TANII).

Read also:

3. From the Registrar, Tamil Nadu Physical Education and Sports University, Letter O.P.No.4272/TNPESU/ Finance Officer/Estt/2018, Dated 28.01.2019.

ORDER:

In the Government order first read above, administrative sanction was accorded for a sum of Rs.13,12,20,000/- over a period of two years and financial sanction was accorded for Rs.10.00 crore in the financial year 2017-2018 for the establishment of Centre of Excellence in Sports Biomechanics in Tamil Nadu Physical Education and Sports University campus.

2. In the Government order second read above, orders were issued to construct the building for Centre of Excellence in Sports Biomechanics at Tamil Nadu Physical Education and Sports University at a cost of Rs.7,02,00,000/- and to purchase sports equipments at a cost of Rs.6,07,00,000/- subject to incur the expenditure within the amount of Rs.13.122 crore sanctioned already in the Government Order first read above.

3. In the letter third read above, the Registrar, Tamil Nadu Physical Education and Sports University has stated that the construction of the building

and
Sports University
Chennai

(Signature)

has been commenced and it would be ideal to procure the equipment during the course of construction of building due to the following reasons:

- i. The channels of power cables and data cables of the 3D motion analysis camera has to be fixed during the construction phase itself.
- ii. The force platform fixation on the ground floor and the channels of cabling can only be fixed during the course of construction.
- iii. The equipment vendor, building contractor and the final flooring bidder will have to sit for a discussion to set up the whole equipment unit in tandem.

Hence, it is ideal to process the procurement of equipment at the earliest.

4. The Registrar, Tamil Nadu Physical Education and Sports University has therefore requested the Government to release the remaining amount of Rs.3,12,20,000/- as second instalment so as to enable them to process the procurement of equipment and make the unique Sports Biomechanics laboratory functional and meaningful.

5. The State Planning Commission has also recommended the proposal vide Lr.No.5475/SPC(PC)2016 Dated 27.02.2017 for release of Rs.3,12,20,000/- during the second year towards establishment of Centre of Excellence in Sports Biomechanics in Tamil Nadu Physical Education and Sports University campus.

6. The Government after careful consideration, sanction a sum of Rs.3,09,00,000/- (Rupees Three crore and nine lakh only) in the financial year 2019-20 as second and final instalment towards establishment of Centre of Excellence in Sports Biomechanics in the Tamil Nadu Physical Education and Sports University campus under Tamil Nadu Innovation Initiatives (TANII).

7. The expenditure sanctioned at para-6 above shall be debited under the following head of account:-

"2204 – 00 Sports and Youth Services – 101 Physical Education – State's Expenditure – JD Establishing Centre of Excellence in Sports Bio-Mechanics in Tamil Nadu Physical Education and Sports University – Scheme under State Innovation Fund – 309-Grants-in-aid – 02 Grants for Creation of Capital Assets" (DPC 2204 00 101 JD 30902) IFHRMS

From the Registrar, Tamil Nadu Physical Education and Sports University Letter Roc. OP.No. 1254/TNPESU/REG/2213/Sports Bio mechanics/2017, Dated 27.8.2018.

ORDER:

In the Government Order 1st read above, administrative sanction was accorded for Rs.13,12,20,000/- (Rupees Thirteen crore twelve lakh and twenty thousand only) for establishment of Centre of Excellence in Sports Biomechanics in the Tamil Nadu Physical Education and Sports University.

2. In the letter 2nd read above, the Registrar, Tamil Nadu Physical Education and Sports University has stated that the original proposal for construction of Centre of Excellence was submitted in the year 2016-2017 and the building cost was roughly estimated at Rs.6.00 crore. The inclusion of centage charge and escalation of construction cost for more than a year resulted in increase in the rough cost estimate to the tune of Rs.8.06 crore. If certain provisions such as front elevation, power room and fencing were restricted, the total cost of the building would come down to Rs.7,02,00,000/- without centage charges.

3. The Registrar, Tamil Nadu Physical Education and Sports University has also stated that earlier the equipments for the proposed Centre of Excellence

were estimated at a cost of Rs.7.122 crore. As there was increase in the cost of construction of building, it has been proposed to purchase the sports biomechanics equipments which are required immediately to bring out the project into functioning and hence the estimate for purchase of equipments has been reduced to Rs.6.07 crore instead of Rs.7.122 crore. He has added that no additional funds have been sought for and the Centre of Excellence in Sports Biomechanics is proposed to be constructed within the amount already sanctioned only.

4. The Registrar, Tamil Nadu Physical Education and Sports University has, therefore, requested orders on the following:

- i. for construction of the building for Centre of Excellence in Sports Biomechanics at a cost of Rs.7,89,75,000/- (including centage charges)
- ii. to purchase sports equipments at a cost of Rs.6,07,00,000/-
- iii. to grant exemption from payment of Rs.87,75,000/- being centage charges.

5. The Government after careful consideration, issue orders to construct the building for Centre of Excellence in Sports Biomechanics at Tamil Nadu Physical Education and Sports University at a cost of Rs.7,02,00,000/- (Rupees Seven crore and two lakh only) and for the purchase of sports equipments at a cost of Rs.6,07,00,000/- (Rupees Six crore and seven lakh only), subject to incur the expenditure within the amount of Rs.13.122 crore sanctioned already in G.O.(Ms).No.35, Youth Welfare and Sports Development (YW2) Department, Dated 31.7.2017.

6. The Government also accord exemption from payment of Rs.87,75,000/- (Rupees Eighty seven lakh and seventy five thousand only) being centage charges at 12.5% of Rs.7,02,00,000/-.

7. This order issues with the concurrence of Finance Department vide its U.O.No.2085/Fin(Edn-I)/2019, Dated 23.01.2019.
