CRITERION 7 – INSTITUTIONAL VALUES AND BEST PRACTICES

1. Introduction

The University has taken the following measures to make the campus green and eco-friendly:

1) Restricted Entry of Automobiles:

The movement of automobiles vehicles such as two-wheeler, cars and other heavy vehicles are restricted from the administrative block of the University. Boards indicating the restriction of entry of automobiles fixed in the campus. The car parking and two-wheeler parking are available next to the administrative block so that no vehicles could enter into campus beyond administrative block in order to make the campus pollution free.

2) Use of Bicycles:

The University encourages the use of bicycles by the students as well as the staff of the University so as to make the campus pollution free. For this purpose, the University has purchased cycles and the same are available for students who want to move from one place to another in the campus.

3) Pedestrian Friendly Pathways:

The pedestrian friendly pathway is available for the people from the main gate to the administrative block of the University campus.

4) Ban on use of Plastic:

The University has banned the use of single use plastics inside the campus. In this regard, the plastics awareness day was observed in the university campus so as to make the students and staff known the impact of the uses of single use plastics.
