Date: 25th August 2022

Venue: Conference Hall, 2nd Floor, Academic Block

Organized by

Department of Sports Psychology & Sociology
Tamil Nadu Physical Education and Sports University
Melakottaiyur, Chennai.

Workshop On

"PSYCHOLOGICAL SKILLS TRAINING"

The department of Sports Psychology and Sociology has conducted a workshop on PSYCHOLOGICAL SKILLS TRAINING on August 25, 2022 at the seminar hall, Academic block, Tamil Nadu Physical Education and Sports University. **Mrs. S.R. Vaishali,** Consultant Sports Psychologist, was consented to be the resource person.

About the keynote speaker:

Mrs. S.R. Vaishali is a consultant sports psychologist who had completed her PG Programme from National Sports University, Manipur. She is currently working as a consultant sports psychologist at Vill Archery Academy. She had worked with eminent sports icons such as Bindya Rani (common wealth games medalist- weight lifting) and many more athletes from SAI, Patiala and Manipur. She is also a national level Taekwondo player who had secured three consecutive national medals.

Event schedule:

The programme started at 10:00 in the morning. The welcome address was given by *Dr. V. Mangaiyarkarasi*, Department of sports management and sports psychology and sociology at 10:30 AM. The event was inaugurated by the Vice Chancellor of TNPESU, *Dr. M. Sundar* at 10:35 AM. The introduction of keynote speaker was delivered by Mr. Gokulkrishnan R, M.Sc. Sports Psychology. The workshop began at 10:50 AM.

About the Workshop:

This workshop focused on the topic 'psychological skills training'. This workshop was conducted for the students of sports psychology and the athletes from our college. Students from all the departments participated in this workshop. The keynote speaker first gave the audience a clear idea about what sports psychology deals with since most of the audience were not from the psychology background. Then the speaker took a dive into the psychological skills training and explained how important and effective they are in training an athlete

Topics covered:

- What is sports psychology
- What do sports psychologists do
- Why sports psychology is important in an athlete's life
- How can one improve the mental game of an athlete

- Psychological skills training
- Goal setting
- Practical sessions (imagery, self-talk, breathing techniques, thought stopping, JPMR, VMBR)

The programme was very interactive and drew attention from the audience. At the end of the session, the audience raised so many questions and the speaker cleared all their doubts. We collected feedbacks at the end of the workshop and it was all positive and most of them said it was beneficial.

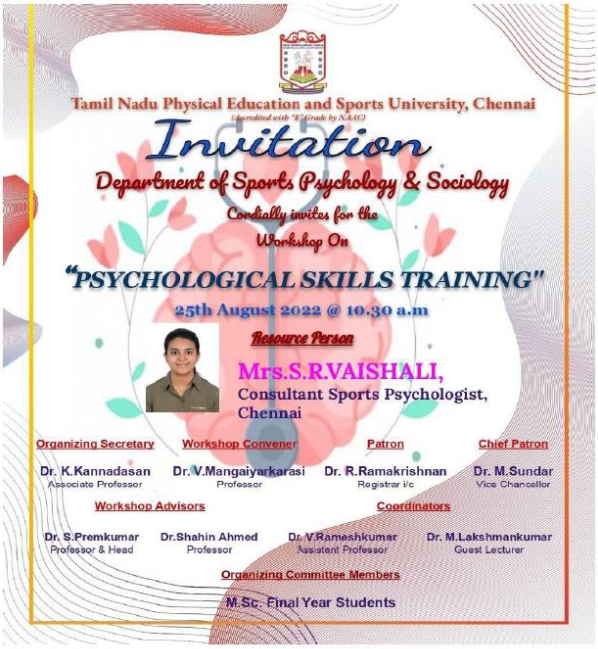

A total of 82 athletes and faculty members of this university were benefitted by this workshop.

The workshop ended at 12:30 PM and the Vote of Thanks was given by Dr. K. Kannadasan, Associate professor, Dept. of sports psychology and sociology.

ACADEMIC AUDIT FOR THE YEAR 2022-23

Held on 20-04-2023

AUDIT COMMITTEE MEMBERS

1. **Dr. R. KALIDASAN**, Professor & Head, Dept. of PE & Yoga, Bharathidasan University, Trichy.

2. **Dr. M. ELAYARAJA,** Professor, Dept. of Physical Education, Pondicherry Univ., Pondicherry.

3. **Dr. G. VINAYAGAMURTHY**, Associate Professor, In-charge of Aerodynamics laboratory, Centre for Product Development & School of Mechanical Engineering, VIT, Chennai.

The Committee met the Vice Chancellor of Tamil Nadu Physical Education and Sports University at 10.00 am at his Chamber. After a short discussion we were taken to various Departments by the Director IQAC Dr. M. Grace Helina. The various Departments such as,

1. Department of Physical Education
2. Department of Yoga
3. Department of Exercise Physiology and Biomechanics
4. Department of Sports Management, Sports Psychology and Sociology
5. Department of Sports Training and Coaching.

All the Departments had a power point presentation about their Department activities, curriculum, No. of students & staff members, teacher's publications, awards won by staff and students and so on. Each Department has exhibited the above said components. The members have gone through all the materials and inspected various Labs and equipment and its maintenance.

The Tamil Nadu Physical Education and Sports University is dedicated to providing top-tier education and training in sports-related disciplines. Based on the 360 and 1000 score forms submitted by the entire teaching faculty, the members of the Academic Audit decided to submit the report for the year 2022-23 and on the basis of university's performance in various key areas, including academic excellence, research output, student satisfaction, and community engagement.

Academic Excellence:

The university has demonstrated a commitment to academic excellence in the field of Physical Education and sports science. The faculty is composed of highly qualified and experienced professors and instructors. The quality of academic programs is commendable, with a well-structured curriculum that meets international standards. The university's emphasis on practical training and hands-on experience has contributed to producing well-rounded graduates who are well-prepared for careers in the sports industry.

Research Output:

One of the university's significant achievements is its contribution to sports and sports - related research. The university has consistently produced a substantial volume of research papers and publications in sports science and related fields. The Staff and Students have received many awards for conducting research in various areas of sports and sports sciences. The research output not only enhances the university's reputation but also contributes to the advancement of knowledge in the sports industry. Collaborations with industry partners have led to innovative solutions and technologies that benefit the sports community.

Student Satisfaction:

Student satisfaction is a vital indicator of an institution's performance. This University has made considerable efforts to ensure a positive learning experience for its students. The availability of state-of-the-art sports facilities, 400 mts Synthetic Athletic Track, Badminton Academy, Table Tennis Academy, Center for Sports Biomechanics, other Sports Science Labs, International Standard Library, and student support services has played a pivotal role in enhancing student satisfaction. Regular feedback mechanisms and an open-door policy for faculty members have contributed to a supportive and encouraging learning environment.

Community Engagement:

The university has actively engaged with the local and global sports community. Outreach programs, sports events, and partnerships with sports organizations and conducted South West Zone Inter University Athletic Championship, All India Interuniversity Athletic Championship and other Inter University Competitions in various Games and Sports have created opportunities for students to gain real-world experience and for the university to promote its academic programs. The university's contribution to the development of sports at the grassroots level is commendable, showcasing its commitment to giving back to the community.

Challenges and Recommendations:

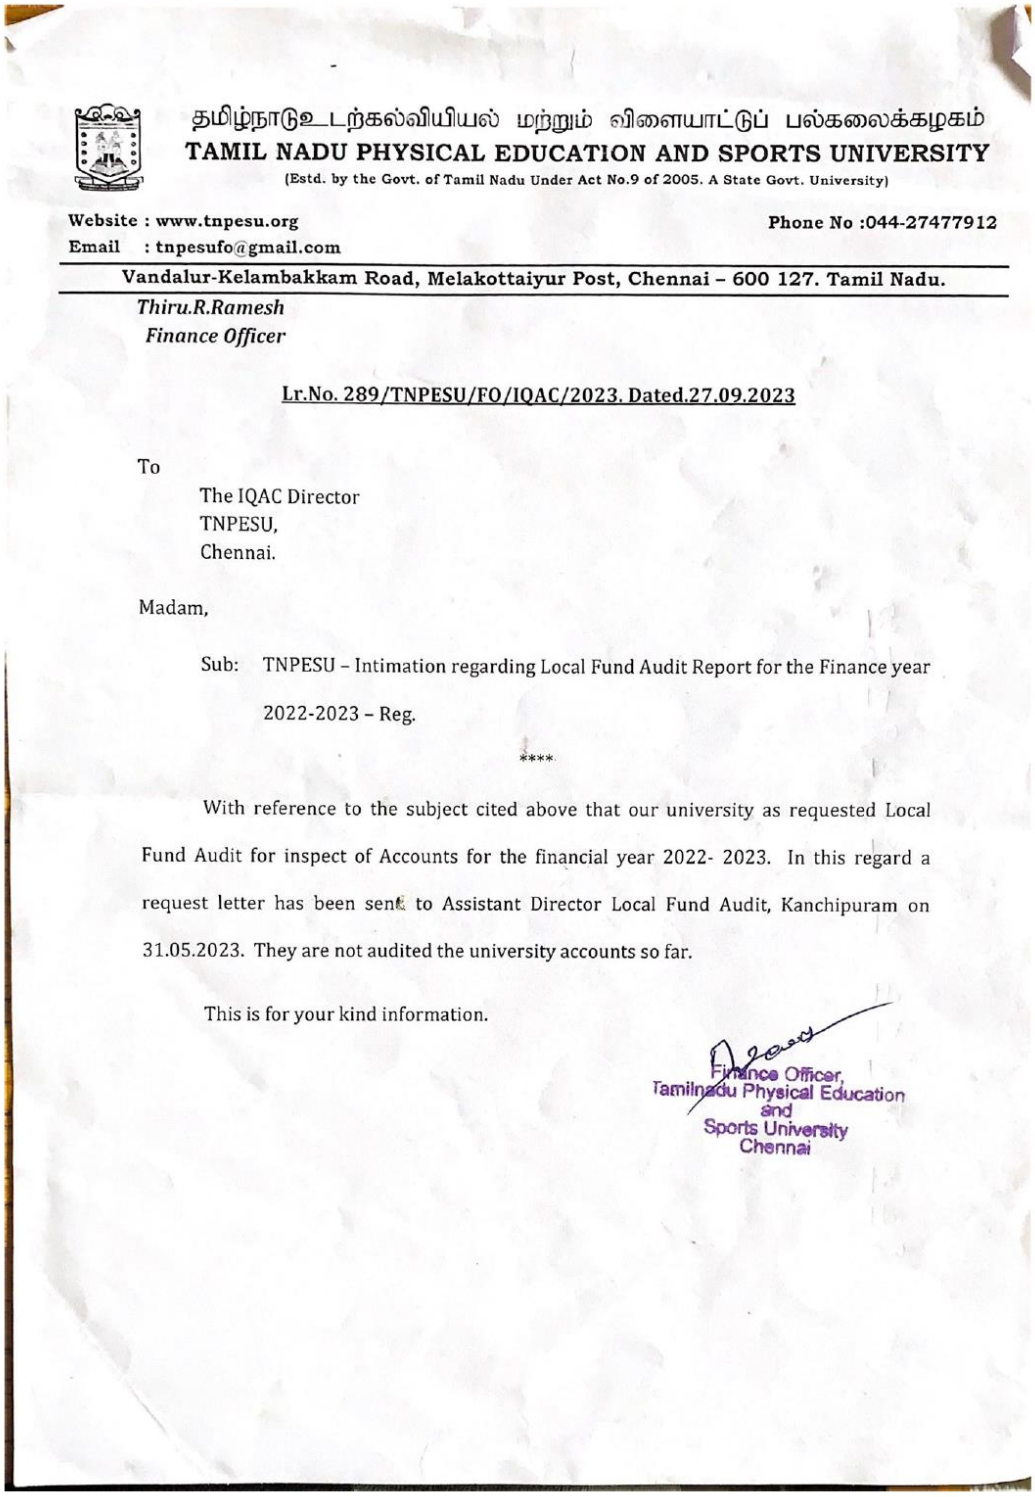

Despite the university's many strengths, a few challenges must be addressed to ensure continuous improvement. These challenges include the need for more scholarships and financial aid opportunities to make education accessible to a wider range of students. The university should also consider expanding its international collaborations and exchange programs to offer a broader perspective to its students.

Conclusion:

The Tamil Nadu Physical Education and Sports University has shown significant progress in terms of academic excellence, research output, student satisfaction, and community engagement. It is evident that the university is dedicated to fostering a holistic environment for the development of sports professionals. With some minor improvements, such as increased financial aid options, Patents, and international collaborations, the university has the potential to further enhance its reputation and impact in the field of sports and sports science.

This academic audit report recognizes the university's achievements and offers constructive suggestions for future development. The Tamil Nadu Physical Education and Sports University remains a valuable asset in the realm of sports education and research.

About Tamil Nadu Physical Education and Sports University

The Tamil Nadu Physical Education and Sports University established by an act of the Government of Tamilnadu in 2004, is unique and the first of its kind in India as an affiliating university, exclusively for physical education and sports.

Motto: " Excellence In Physical Education and Sports"

About The Awareness Programme

Intellectual property rights are the rights given to persons over the creations of their minds. They usually give the creator an exclusive right over the use of his/her creation for a certain period of time.

Intellectual Property plays a key role in gaining modest advantage in terms of research gains for achieving higher and quality growth in a Competitive World. To promote the awareness of Intellectual Property Rights (IPR) and creative research activities across various Departments, Tamil Nadu Physical Education and Sports University, Chennai is planning to organize an awareness programme on "Intellectual Property Rights" on 28th October 2022.

The objectives of the programme are

1. To spread awareness about the importance of IPR among faculty members.
2. To cater the IPR needs of the University.
3. To create a strong IPR base in the University.

REPORT

REPORT OF ONE DAY COMMUNICATION DEVELOPMENT PROGRAMME

A one-day workshop on Communication Skills Development for the first year UG and PG students was organized by the Internal Quality Assurance Cell and Placement cell on 14.11.2022 at Tamil Nadu Physical Education and Sports University.

The Resource Person Ms. P Renuka Indumathi, Founder and course director of Viruksham Academy, Madanandhapuram, Chennai handled the sessions. The workshop was started at 10.30 AM, at the Academic Block – Conference hall with the commencement speech by Dr. M Grace Helina, IQAC Director. The one day programme inaugurated by the Registrar, Dr. R Ramakrishnan. In his inaugural speech, he urged the first year UG and PG students to take full advantage of the session in order to improve their communication abilities.

Ms. Renuka Indumathi presented topics like barriers, commonly confused areas, and some real life demonstrations during the workshop's first session. The participants were given with some useful information on communication skills and some easy ways to improve communication abilities. Then they were given some exercises and role play activities. In the last session, the resource person gave some useful information and tips on communication skill development.

In the valedictory program held at the end, Ms. Susheela and Mr. Hemanth from the department of Exercise Physiology and Nutrition gave their feedback by explaining how the program helped them to understand the overview of communication skills enhancement and made them more confident. In his valedictory address, the Vice Chancellor Dr. M Sundar, congratulated both the participants and the resource person for the successful completion of the programme and requested the participants to constantly improve upon their skills and competencies for their personal and professional growth. The program ended with a vote of thanks by Dr. S Prem Kumar, Organizing Secretary and Placement Cell Director.

PROJECT PROPOSAL DEVELOPMENT ON COMMUNITY ENGAGEMENT

INTRODUCTION

Workshop on ***"Project Proposal Development on Community Management"*** was organized by the Internal Quality Assurance Cell (IQAC), TNPESU for the benefits of all the teaching staff of this University on 21.11.2022 at Syndicate Hall, TNPESU campus.

OBJECTIVES

- Connect institutions of higher learning, with local communities to address the development challenges through appropriate technologies / management models

OUTCOME OF THE PROGRAMME

At the end of this Workshop, the Faculties of TNPESU has well understood the following :

- HEIs have diverse functions, the most important of which are teaching, research, and outreach involving direct contact with the It's an opportunity to put one's professional competence for the practical utility of a community in need.
- It is an opportunity to be of service, and get to know if an academic or what a student learns in a classroom is being relevant to the contemporary realities in the village
- If you have a specific proven idea or model or technology that you would like to see how it works
- Problems do not belong to one discipline
- Thus, *Multi-disciplinary Approach* is required to address any problems of the community
- Do not identify an non-existent problem
- If you take up a problem that people do not consider it is a problem, then it will be difficult to implement it.
- Let the people narrate their problems, from their priorities
- 'Think Global and Act Local'

Resource Person Profile

Gladston Xavier Ph.D
Curriculum Vitae Summary

I am currently an Associate Professor in Social Work, Till June 2019, I was the Head of the Social Work Department, in Loyola College, Chennai. Prior to this I was Dean of Arts Faculties. Since 2000, I have been teaching forced migration, community organization, social action, peace building, social research methodology and human rights related subjects. In 2003 I was instrumental in constituting a specialization called Human Rights consisting of eight distinct papers. In addition to teaching, I co-founded the Loyola Under-Graduate Outreach Program in 2001. In the area of research, I was part of the founding core group of Loyola Institute for Social Science Training and Research (LISSTAR) the official social science research organ of the college. I have guided 12 M. Phil Students and 6 PhD students successfully.

I am the co-director of the Caux Scholars Program at Asia Plateau, Panchgani, India. It is a peace-building program that brings together scholars from 20 countries for an intensive experiential process. In 2018, I was elected as the deputy chairperson of the Asia Pacific Refugee Rights Network (APRRN). In July 2019. I was inducted into the UN ECOSOC through the International Institute for Human Rights, Environment and Development. I have lectured/presented papers/visited/conducted workshops/ in over 45 universities in 65 countries. These include, Oxford, Harvard, Colombia, University of North Carolina, Hasselt, Leuven, Sophia, Mahidol, Chulalongkorn, Coventry, Antioquia, Fatima Jinnah and Peshawar Universities to name a few. I was a Fulbright Fellow under the teaching specialist program in the USA during the academic year 2021-2022

Apart from the regular academic activities, I have been practicing Social Work and conflict transformation at the national and the international levels. The specific areas of work have been in Forced Migration, Community development and Conflict transformation. Since 1997, I have been working with Organization for Eelam Refugees Rehabilitation a refugee self help organization that works in all the Sri Lankan Refugee camps in Tamil Nadu. Starting off as a trainer in counseling I had designed a bare foot counseling modules to be used in camp settings. Later I moved in to the human resources department where I was responsible for the capacity building of staff at various levels. Currently I am part of the human rights and peace building team that takes care of advocacy at the local and international levels. Additionally, I conduct the summary reviews, facilitate strategic planning, and develop proposals for ECHO, DCA, USAID, Australian Aid and other donors to ensure funding. During the COVID pandemic, I lead the Chennai City's Psycho-social intervention with a team of over 500 volunteers and reached out to over 600,000 people.

In terms of peace building, my work has been in the North and East of Sri Lanka. Since 2003 I have been training civil society leaders, NGO staff and other community volunteers. This process has resulted in formulating a community-based peace-building model which is successful in many parts of Sri Lanka. I have facilitated negotiation processes in Sri Lanka between the Sinhala and Tamil Speaking communities, in India between conflicting churches in Nagaland and among staff of various organizations in India, Nepal, Sri Lanka, Afghanistan and Pakistan.

In the capacity of a consultant, I have undertaken several monitoring, evaluation and research projects for organizations such as: Act for Peace, OXFAM, Dan Church Aid, Christian Aid, DANIDA, GTZ / FLICT, UNAIDS, UNICEF and UNDP. Most of these evaluations were on development, sustainable livelihoods, disaster relief and Peace Building. After serving as acting Chair of the APRRN, Currently I am a board member of the Asia Pacific Refugee Rights Network, a member based organization with 450 members of the Asia Pacific region. As a part of this, I am on the team that developed the Partners' Implementing Framework of the UNHCR. I am also part of the UNHCR's right to protection of refugee's working group.

The creative contributions to the field of Social Work and Peace building have been: Developing a case analysis framework to understand communities, evolving Social Work interventions for human rights, understanding the community through the community wheel, establishing people oriented management systems human resources management, asset based community development, using theatre for social transformation, community confidence building strategies, measuring livelihoods and research for empowerment.

I have published 7 books and written scripts for 13 documentary films. Some of these films were made in Sri Lanka, Cambodia and Afghanistan. Personal interviews have appeared in all popular news channels and prominent print media. Most recently, I have taken to natural farming and supporting landless farmers in subsistence agriculture.
