CRITERION 7 – INSTITUTIONAL VALUES AND SOCIAL RESPONSIBILITIES

Introduction:

A. Buildings with ramps for easy access to classrooms;

The University has implemented thoughtful accessibility measures across all its facilities, ensuring inclusivity for individuals with disabilities. All the facilities from the administrative building to the academic halls, library blocks, canteen, and even the indoor stadium, has a ramp facilities. These ramps serve as vital pathways, enabling smooth and convenient access for disabled individuals, promoting an environment of equality and support within the campus premises.

B. Lift Facility

In addition to ramp facilities, the University further demonstrates its commitment to inclusivity by providing lift accessibility in key areas. Notably, the library block stands equipped with lift facilities, ensuring that individuals with mobility challenges can effortlessly navigate between floors to access valuable resources and academic materials. This commitment exemplifying the University's dedication to a supportive and accessible environment for all members of its community.

C. Disabled- friendly Restrooms:

The University has made a concerted effort in prioritize accessibility for students with special needs by its commitment to providing disabled-friendly restroom facilities across its buildings. These provisions have been meticulously designed with the unique requirements of disabled students, featuring spacious layouts, strategically positioned handrails, and easily accessible sinks and amenities.

D. Signage including tactile Path, lights, display boards and signposts:

CRITERION 7 – INSTITUTIONAL VALUES AND SOCIAL RESPONSIBILITIES

The University's commitment to accessibility extends beyond physical infrastructure, encompassing various features and amenities to enhance the experience of all individuals, including those with specific needs:

- ❖ In the administrative block, a tactile path has been meticulously laid out to aid partially sighted individuals in navigating the area with ease, ensuring they can move around confidently and independently.
- ❖ Across the entire campus, ample lighting facilities have been installed to enhance safety and security, particularly during evening hours, providing a well-lit environment conducive to learning and social activities for all students.
- ❖ Display boards have been strategically placed at the entrances of buildings, departments, sections, hostels, and other facilities, serving as informative guides for students and the public alike. These boards offer essential information and directions, promoting convenience and ease of navigation throughout the campus.
- ❖ Signposts have been strategically installed along the route from the main road to the University campus, facilitating easy access for visitors and newcomers. These signposts serve as guiding landmarks, ensuring that individuals can locate the University premises effortlessly and without confusion, further enhancing the accessibility of the institution.

A. Provision for Enquiry and Information:

In alignment with its commitment to inclusivity, the University extends a comprehensive support to physically disabled students by ensuring an equitable opportunities throughout their academic journey. This dedication is evident in various initiatives, including the provision of scribe assistance during examinations upon prior approval, enabling students to demonstrate their knowledge with dignity and fairness. Additionally, the University's proactive approach to accessibility extends to its digital realm, with a wealth of reading materials available in a convenient soft copy format via the University website. These efforts not only enhance access for physically disabled students but also promote inclusivity by accommodating diverse learning preferences.
